## Altimetric profile

Min elevation 1271 m Max elevation 1379 m

One of the tracks designed for the discovery of mountain running. Each sector of the Aigueblanche Valleys has a Discovery trail so welcome to the Valmorel beginner's track!

The starting point is at the heart of the resort, at the beach volley-ball pitch (1340m).

The most difficult passage is at the beginning of the trail. As you go through the tree-top rope park, the hill is quite steep and leads you to the car park of the "Cheval blanc" hotel.

The incline gets easier and, 200 meters further, take a left down a wide path. You've achieved a 750m long and 40m uphill section.

Then have a 1km gentle downhill run, across the Perrière stream. Further down, you can spot the Crey hamlet.

It's now time to brave the last uphill stretch to the resort which is 700 m and 75m+ away.
